District: <u>USD 314 Brewster</u>	Bldg #	Grades Served:
School: <u>Brewster High</u>	3278	9-12

(A) Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments.

1. Students enter school with social, emotional, and academic resilience with readiness skills prepared to learn. 2. Increase number of days Brewster students attend school. 3. Eliminate chronic absenteeism. 4. Increase student enrollment. 5. Enhance professional counseling services for emotional and mental supports. 6. Offer competitive salaries to attract and sustain high performing educators. 7. Build a culture of high expectations with academic priorities within the school and school community. 8. Eliminate apathy and indifference towards high stakes testing such as the state assessments. 9. Improve and support teacher instructional preparation through professional development. 10. Build parental support. 11. Increase academic rigor in teacher instruction and student performance. 12. Provide stable home settings of parental cooperation and support. 13. Increase student study time to include rigorous homework.

(B) Identify the budget actions that should be taken to address and remove those barriers.

1. Budget for professional development for teachers. 2. Budget for attractive and competitive salary for teachers.

(C) Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budget actions would be implemented.

If the budget actions would be implemented and all identified barriers addressed or removed, it would take an estimated 4 years for each student to achieve grade level proficiency on the state assessments. It must be acknowledged that some identified students may not have the capacity to reach proficiency on the state assessments.
